

# LANSDOWNE FARMERS MARKET COMMUNITY DAY

Saturday, October 18, 8:30 to 1:00  
Lansdowne Avenue parking lot, adjacent to Farmers Market

## PARTICIPANT APPLICATION

Community Day is a chance for your local business, club, group, or other entity to get the word out about who you are and what you do. The Lansdowne Farmers Market draws hundreds of shoppers each Saturday, so this is a great way to reach people who live or work in the area. Community Day will be advertised at the Market in the weeks preceding it.

Though your focus can be on outreach, sales are permitted at this event. We want to know what you're planning, however, so be sure to detail it on your application. (Yard sale– or flea market–type sales are not appropriate.) You may distribute flyers about products, opportunities, or events you offer. Free handouts are welcome. Signs and banners are also welcome, so long as they fit on or near your table.

The fee for a parking space–sized spot is \$20, to be submitted with your application. Bring your own table (no longer than 6 feet), table cover, and chair. No canopies are permitted because of space constraints, but table umbrellas are fine. Spots are limited (~12), reservations will be taken on a first-come basis (as described below\*), and applications must be in by October 3. Set-up is 8:30 the day of the event in the parking lot, and we ask you to remain until the market closes at 1:00 pm.

\*Because of the popularity of this event, priority will be given to applicants who have not yet participated in Community Day this year, though repeat participants can apply. Spaces will first be assigned to new participants. Once the application deadline passes, if any spaces remain, they will be assigned to repeat applicants in the order they were received.

To reserve a spot, complete the bottom portion of this form and send it to Barbara Murphy, 51 Price Avenue, Lansdowne, PA 19050, along with the \$20 fee (a check made out to LEDC). Once your space is reserved, you will receive a confirmation from Barbara. Questions, email [bfmurphy51@comcast.net](mailto:bfmurphy51@comcast.net). Thanks for your interest!
