Yard Waste (each date is a Wednesday)

September 16th and 30th
October 14th and 28th
November 18th
December 9th

The schedule is weather and leaf volume dependent. To participate, you are requested to rake leaves **ONLY** into the street next to the curb. Please do not park on the leaf piles, as we'll need access to them. Feel free to bag your leaves, in paper bags, if you prefer and place them on the curb for pick up. Don't forget...leaves only. Rocks and sticks will damage the leaf machine. We greatly appreciate your patience and cooperation with leaf pick up.
