

## SWEET ENDINGS DESSERT CONTEST

As part of the Lansdowne Farmers Market's Fall Festival on October 18, 2008, we are sponsoring a dessert contest, open to all comers (except judges, naturally). We're new at this so there's only one category – desserts – and only one age group – all – but the good news is that it's free to enter!

Any and all desserts are welcome: pastries, cakes, puddings, cookies, pies, whatever. Recipes can be original or from another source but "personalized." The only requirements are that the dessert must be seasonal and that some of the ingredients must have been purchased at the Lansdowne Farmers Market, the more the better. Desserts should be from scratch, not made using prepackaged mixes.

### Judging

A panel of four judges will select three winners:

- Third Prize winner will receive \$15 in Market Bucks.
- Second Prize winner will receive \$20 in Market Bucks.
- First Prize winner will receive \$25 in Market Bucks, and the winning dessert will be featured at Mission Burrito the following Saturday night, October 25.

Desserts will be judged on flavor, appearance, and seasonality. In case of a tie, the number of Market ingredients in a dish will be taken into consideration. Judging will take place at approximately noon on October 18, and winners will be announced immediately afterward. Entries will be assigned numbers and entrant names will be hidden to ensure impartiality in judging.

### To Enter

1. Select your secret weapon recipe and pick up as many ingredients as possible at the Farmers Market.
2. Prepare your dessert so it's at its height of perfection around noon October 18.
3. Complete the Entry Form that follows and bring it and your creation to the Lansdowne Farmers Market, Saturday, October 18, for delivery between 10:30 and 11:30.
  - a. Present your dessert in a disposable pan or plate with your name marked on the bottom (out of sight).
  - b. If your dessert must be kept cold, please bring it in a cooler to ensure temperature control.
4. Hang around to see if you win!
